1. Who we are and what we collect

Effective date: November 19, 2026

This policy explains how **Coin Angels Agency LLC**, a company registered in Wyoming, USA with its address at 30 N Gould St, Ste R, Sheridan, WY 82801, USA, doing business as Made by 44 (“we”, “us”), handles personal information on madeby44.com and in our client panel at madeby44.com/panel-klienta/. Contact us at **office@madeby44.com**.

We collect only what we need to answer enquiries, run projects and keep our accounts. We do **not** sell personal information, we do not share it for cross-context behavioral advertising, and we do not use it for profiling.

Category	Examples	Why we use it
Identifiers	name, email address, account password (stored only as a one-way hash)	answer your enquiry, run your client account
Contact and scheduling details	email, meeting time, a Google Calendar event with a Google Meet link	book and hold a call with you
Project content	brief answers, logos and files you upload, comments on design options	do the work you hired us for
Commercial information	company name, address, tax number, quotes, invoices, payment status	quote, contract, invoice and keep tax records
Internet activity	page viewed, language, type of source (search engine, direct, campaign tag), device type, a daily anonymous visitor ID	understand which pages and channels work
Server logs	IP address, date and page requested, kept by our host	keep the site secure

We get this information from you (forms, your account and uploads) and from your browser when you visit the site. We do not buy data about you from other companies.

Our services are for businesses. They are not directed at children under 16, and we do not knowingly collect their personal information.

2. Who we share it with, cookies and tracking, retention and security

Service providers. We share information only with providers we need to run the site, and only as far as needed:

- **SEOHOST (Poland):** hosts the website, the client panel and our email.
- **Google (Calendar and Meet):** creates the event and meeting link when you book a call.
- **Authorities and legal needs:** where the law requires it, or to protect our rights.
- **Business transfer:** if we are sold or merged, your information may move to the new owner under the same protections.

No advertising networks or other third parties track you on our site.

Cookies. We do not use cookies for analytics or advertising. We set only essential cookies: one that remembers your language (set only after you choose a language) and WordPress session cookies when you log in to the client panel.

Do Not Track and Global Privacy Control. We honor both. If your browser sends either signal, we do not count your visit in our analytics. Our analytics use a daily anonymous hash instead of an IP address or cookie, and we do not store your IP address in them.

How long we keep it.

- Analytics hits: up to 400 days.
- Enquiries that do not lead to a project: up to 12 months after our last contact.
- Client account and project data: for the length of the engagement plus the limitation period for claims.
- Files you upload to the panel: deleted 7 days after the project is completed, unless you reopen the project.
- Invoices and accounting records: as long as tax and accounting law requires 5–7 years.

Security. We use HTTPS, store passwords only as hashes, restrict panel files to the client who uploaded them and to us, and limit access to our team. No system is perfectly secure, so we cannot guarantee absolute security.

3. Your rights, contact and changes

Your choices. You may ask us to tell you what personal information we hold about you, give you a copy, correct it or delete it, and to stop using it where we rely on our legitimate interest. We do not sell your personal information and do not share it for advertising, so there is nothing to opt out of. We will not treat you differently for using these rights.

How to ask. Email **office@madeby44.com** from the address linked to your account or enquiry. We may ask you to confirm your identity first. We reply within 30 days, and tell you if we need more time.

Visitors from the EU, EEA and UK. GDPR applies to your data. The Polish version of this policy above explains our legal bases, your rights and how to complain to a supervisory authority; the same information applies to you. Our representative in the EU under Article 27 GDPR is Tomasz Drzazgowski, ul. Wrzosowa 8, 83-330 Żukowo, Poland, tomasz@madeby44.com. You may contact him instead of us or together with us.
